## Dharma Road

Stories from everyday life that demonstrate how we can all benefit from a little Buddhist philosophy or practice. Each chapter focuses on a specific topic, teaching readers to build a life routine, focusing the mind, calming themselves with breathing exercises, and much more.

## Dharma Road

This memoir and spiritual guide from an Austin, Texas cab driver is “the real deal: good taxi and straight dharma” (Jack Kornfield, bestselling author of *The Wise Heart*). Brian Haycock was a cabdriver—who happened to be a Buddhist. During the course of his career, he learned that each fare provided an opportunity to learn the life lessons of the Buddha. So, hop in and buckle up; we’re off on our journey to self-discovery, passing through the precepts, the four noble truths, taking a hard left to stop and get coffee—where we’ll learn a few breathing techniques to bolster our patience—all the while watching for ambulances and bikers, focusing our attention and awareness so that we can arrive at our destination in good time and in one piece. Here are stories from everyday life that demonstrate how we can all benefit from a little Buddhist philosophy. With each chapter focusing on a specific topic, readers will learn to coast their way to building a life routine, focusing the mind, calming themselves with breathing exercises, and much more. “Engagingly written.” —Stephen Batchelor, national bestselling author of *Confessions of a Buddhist Atheist* “Compassionate and entertaining.” —David Brazier (aka Dharmavidya), author of *The Feeling Buddha* “Amusing and wise.” —Arthur Jeon, author of *City Dharma and Sex, Love, and Dharma: Finding Love Without Losing Your Way* “Wise and witty and direct: very Zen. Also, fun to read.” —Sylvia Boorstein, national bestselling author of *Happiness is an Inside Job* and *That’s Funny, You Don’t Look Buddhist*

## All the Rage

Leading psychologists and meditation teachers explain how mindfulness can help us work with our anger--and ultimately transform it into compassion. Anger. For all of us, it’s a familiar feeling—jaw clenching, face flushing, hands shaking. We feel it for rational and irrational reasons, on a personal and on a global level. If

we know how to handle our anger skillfully, it is an effective tool for helping us recognize that a situation needs to change and for providing the energy to create that change. Yet more often anger is destructive—and in its grip we hurt ourselves and those around us. In recent years scientists have discovered that mindfulness practice can reduce stress, improve mood, and enhance our sense of well-being. It also offers us a way of dealing with strong emotions, like anger. This anthology offers a Buddhist perspective on how we can better work with anger and ultimately transform it into compassion, with insight and practices from a variety of contributors, including Thich Nhat Hanh, Sharon Salzberg, Sylvia Boorstein, Carolyn Gimian, Tara Bennett-Goleman, Pat Enkyo O'Hara, Jules Shuzen Harris, Christina Feldman, Mark Epstein, Ezra Bayda, Judith Toy, Noah Levine, Judy Lief, Norman Fischer, Jack Kornfield, Stan Goldberg, Yongey Mingyur Rinpoche, Dzigar Kongtrül, and many others.

## **Essential Chan Buddhism**

Essential Chan Buddhism is the rare unearthing of an ancient and remarkable Chinese spiritual tradition. Master Guo Jun speaks through hard-won wisdom on Chan's spiritual themes familiar to Western readers, such as mindfulness and relaxation in meditation, as well as profound, simply expressed teachings and insightful explorations of religious commitment. Essential Chan Buddhism filters formal spiritual practices through the lens of mundane and everyday life activities. The work captures the lyrical beauty and incantatory style of Guo Jun's spoken English from the talks he gave at a fourteen-day retreat near Jakarta in 2010 and in subsequent conversations with his editor Kenneth Wapner. This value-priced hardcover edition is both a distinctive addition to Buddhist collections and a thoughtful gift for anyone looking for spiritual guidance. Chan master Guo Jun is one of a new breed of international teachers taking the world's great wisdom traditions into the twenty-first century. He is currently abbot of Mahabodhi Monastery in Singapore and teaches internationally. Chan master Sheng Yen's youngest dharma heir, he served as abbot of his Pine Bush, New York, retreat center from 2005 to 2008. A native of Singapore, Guo Jun received his full monastic ordination in Taiwan. He is a lineage holder and successor in Chan as well as the Xianshou and Cien schools of Chinese Buddhism. Essential Chan Buddhism is his first book. Kenneth Wapner's Peekamoose Books is a book packager and editor. Clients include Bantam, Tarcher/Putnam, Ballantine, and Doubleday. He is well known for his work on Rabbi Jesus, Bones of the Master, and The Zen of Creativity.

Anatta is the Buddhist teaching on the nonexistence of a permanent, independent self. It's a notoriously puzzling and elusive concept, usually leading to such questions as, "If I don't have a self, who's reading this sentence?" It's not that there's no self there, says Rodney Smith. It's just that the self that is reading this sentence is a configuration of elements that at one time did not exist and which at some point in the future will disperse. Even in its present existence, it's more a temporary arrangement of components rather than something solid. Anatta is a truth the Buddha considered to be absolutely essential to his teaching. Smith shows that understanding this truth can change the way you relate to the world, and that the perspective of selflessness is critically important for anyone involved in spiritual practice. Seeing it can be the key to getting past the idea that spirituality has something to do with self-improvement, and to accessing the joy of deep insight into reality.

## The Annenbergs

The best in Short Mystery Fiction In Mystery Weekly Magazine's tradition of almost-anything-goes publishing, this month's issue is an eclectic mix of crime, comedic, literary, and even somewhat disturbing short stories having one thing in common: maximum entertainment value. This is an issue you'll be recommending to friends and family. "Terrible Tilly," our cover story by Jake Teeny, is one to be read slowly and savoured for its rich and evocative language. It centers around an isolate lighthouse and three quarrelsome keepers at the brink of madness; one of them has been stealing the lamp's kerosene, but is there a motive behind the madness? This captivating lighthouse tale is a shining example of the effective use of voice in storytelling. Cassandra Montag's, "Water Wolf," is a haunting, lyrical mystery involving children

who disappear while picking berries in the forest. There is certainly a compelling question at the heart of this story, and readers who don't get lost in the beautiful prose will find subtle clues strewn about. Certainly those who appreciate poetry or a well-turned phrase will come to the end of this story wanting more. "Finder's Fee," by JM Taylor, is a fresh and amusing take on an age-old theme: be careful what you wish for! And following with a similar theme is "Au Lait," by Dan Crawford, a hilarious story about an enchanted swizzle stick falling into the hands of a very undeserving lady at a coffee shop. Readers are advised not to have a mouthful of coffee while reading this one! Our darker story is "Encumbered," by William R. Eakin. A canoe trip on a swollen river, a baby lost, a new husband with a love for campsites with high vistas--what else could a woman want to become unencumbered? In his genre-crossing tale, "The End Of The Road," Manny Frishberg gives us the most remote setting of any we have ever run, the surface of the moon. A new moon buggy modelled after a Plymouth Barracuda is about to be unveiled, and soon proves that wherever there are people, there is also greed, crime, and evil. "The Idiot's Guide To Killing Your Mother-In-Law," by James Mathews, is a Hollywood movie waiting to happen. This thoroughly entertaining and fast-paced story that will keep you guessing and chuckling right to the end. Besides the sparkling dialogue and vividly realized characters, the plotting is as clever and deliciously ironic as mystery lovers could possibly hope for. The best in Short Mystery Fiction Mystery Weekly is a monthly mystery magazine that presents crime and mystery short stories by some of the world's best established and emerging mystery writers. The original stories selected for each issue include noir, cozy, hardboiled, locked room, comic, and historical mysteries--plus occasional genre-busting stories that lean toward speculative or literary fiction. However you classify them, all of our stories feature strong writing and unsurpassed entertainment value.
